ORDER:

In the reference second read above, the Commissionner, PR&RD has reported that, in the Districts of Srikakulam, Vizianagaram, Visakhapatnam Districts much material component is accrued this year also as it happened during last year. Further, the Commissioner, PR&RD has reported that, construction of CC roads under MGNREGS is Government flagship programme in convergence with 13^{th}/14^{th} Finance Commission funds and other local funds. It is observed that the progress of construction of CC Roads is very poor when compared to the targets fixed for the year 2015-2016. By the end of March, 2016, an extent of 4444 KMs of CC Roads has to be laid.

2. He further stated that, as per the orders issued in G.O in reference first read above, the sharing pattern for convergence funds is at 50:50 for MGNREGS funds and convergence funds. For the district like Srikakulam, Vizianagaram, Visakhapatnam and other district where much material entitlement is being generated, this sharing pattern of convergence funds may be relaxed to the extent of availability of local funds so as to utilize all the material entitlement during the Financial Year to achieve more length of CC Roads beyond the target for these districts.

3. Government have examined the proposal and in relaxation of orders issued in G.O first read above, hereby permit the District Collectors of Srikakulam, Vizianagaram, Visakhapatnam to take up the Cement Concrete Roads programme during the Financial Year 2015-2016 under MGNREGS on a large scale by mobilizing the material component utilizing the other local funds to the extent of its availability.

(P.T.O)

4. The above District Collectors are requested to ensure that the material component of MGNREGS should be completely utilized by March end 2016 to create durable community assets.

5. The Commissioner, PR&RD shall take necessary further action accordingly.
